

ARU Retrieval Form

Retrieval Type	
	Standard Retrieval
	ARU Redeployed In Same Location
	With vegetation
	With water depth
	With weather
	Other (note in comments)

Project: Cluster: .

Site: Station: .

Observer(s): .

Date: / / Time: : : Time Zone: .

Date and time must match GPS or wrist watch e.g. MST or MDT

ARU ID: .			
SD Card Numbers			
A	B	C	D
Record percentage of data on cards			
Mic Numbers			
Left	Right		

To Do			
ARU Date and Time	Correct / Incorrect	If not correct, transcribe here:	
ARU File Prefix	Correct / Incorrect	If not correct, transcribe here:	
Damage	Yes / No	Describe damage:	
Voice Note Recorded			
Photos Taken			
Settings File Saved			

Comments

Entered in office by: . Data entry proofed by: .
